INFORMATION ON SUSPENSION OF ACCESS TO THE HORNSUND POLISH POLAR STATION

In the face of the worldwide coronavirus outbreak and taking into consideration limited healthcare facilities at the Hornsund Polish Polar Station, in order to ensure safety of the crew residing at the Station we hereby inform that as a preventive measure **the Hornsund Polish Polar Station will remain closed to visitors** for a period of 30 days, i.e. until April, 11 or until further notice.

We therefore request all visitors, including Svalbard residents, to suspend their travel plans to the Hornsund Station. Hoping for your understanding, we apologize for all the inconvenience resulting from this decision.
