ANNOUNCEMENT
ABOUT APPLICATIONS FOR ACCOMMODATION AT THE POLISH POLAR
STATION HORNSUND AND FOR ACCESS TO THE EXPEDITION VESSEL
TO SVALBARD IN 2024

We kindly inform that applications for accommodation at the Polish Polar Station Hornsund and for access to the expedition vessel in order to transport people and cargo to Svalbard in 2024 should be submitted online **not later than by February 29, 2024**. Appropriate online forms are available on <http://hornsund.igf.edu.pl/news/>.

Please bear in mind that submitting an application is not tantamount to securing a place at the Station and/or the vessel. Access to the Station or to the expedition vessel will be officially confirmed by appropriate agreements signed with IG PAS. Registration of the project in the RiS database and submission of an application for fieldwork permit to the Governor of Svalbard's office will be necessary prior to signing an agreement.

The Institute of Geophysics PAS and the Polish Polar Station Hornsund do not provide tourist services. Therefore all applications for transport or accommodation at the Station for purposes of tourism shall be rejected.
